CANDYLION

"It has been very interesting to rewrite and 'play' with these songs that hold such treasured memories for me. We hope you enjoy Candy Lion's refreshed versions of these great songs and nursery rhymes and that they help to create some loving and lasting memories for you and your children too"

Wendy and Christophe are a French/Australian team in work and life. They have been performing, composing and writing songs together for over 20 years. They live in France and perform regularly in Europe. When Christophe is not entertaining he composes and records music: producing albums for various projects, writing sound tracks for films, web sites and advertisements. Being parents, professional musicians and having friends in the GymbaROO (TKG) team, the Active Babies Smart Kids TV series provided a great opportunity for them to turn their hand to children's music with fabulous results!! ... And so began Candy Lion.
